

PRESENTS

EMERGENCY LIFE SAVER MARINE

BLUEWATER YACHT SALES
1450 SENSATION WAY
BEAUFORT, NC 28516
TRAINING DATE: TBD

BLUEWATER YACHTING CENTER
1 MARINA RD
HAMPTON, VA 23669
TRAINING DATE: TBD

D-DEY Response Group and Bluewater Yacht Sales have teamed up to bring the most up-to-date cutting edge maritime emergency medical training available. This full day course will train and prepare boat owners, families, captains, and crew to handle medical emergencies at sea. D-DEY's mission is to empower, train and equip our customers to improve the outcome and increase survivability following an incident. The purpose of EMERGENCY LIFE SAVER (ELS) is to instill confidence and preparedness in all our students. Students will receive training in CPR/AED, Airway Management, Bleeding Control, Allergic Reactions, Prescription Medications, Burns, Wound Management/ Closure, Splinting and patient movement. Upon course completion students will receive a National Certification in CPR/AED, First Aid and B-CON (Bleeding Control).
